

MODERN WOODMEN OF AMERICA

Modern Woodmen exists to improve quality of life for our members and the communities where they live, work and play. We do this through financial guidance and social, educational and volunteer activities.

Modern Woodmen of America is a member-owned fraternal financial services organization, based in Rock Island, Illinois. Together with our more than 750,000 members, we've been touching lives and securing futures since 1883.

Modern Woodmen offers a variety of high-quality financial products including life insurance, annuities, and investments. In addition, MWA offers opportunities for communities to make an impact, to belong to a social group, and to spend quality family time. For children Modern Woodmen offers a place to belong, a way to learn volunteerism, and a time to have fun.

Modern Woodmen sponsors the JA BizTown Professional Office.
