LETTER FROM THE PRESIDENT CEO
AND BOARD CHAIR

Dear Friends:

Junior Achievement ignites a spark in young people to experience and realize the opportunities and realities of work and life in the 21st century. We appreciate our community partners, like you, who help support more than 51,500 students benefiting from JA throughout our region. Together, we are committed to delivering life-changing programs that better the lives of our future leaders.

My time with Junior Achievement started as a sophomore in high school. I learned firsthand how to own and operate a business and work cooperatively with others to achieve success. Those early lessons, quite honestly, were part of the reason I started my own business 30 years ago.

JA and its entrepreneurial opportunities for young people open windows, creating a vision of opportunity. It’s a tremendous program that serves many children well. I look forward to JA’s next 100 years.

Mike Vondran
JA of the Heartland Governing Board Chair

The future is bright! Thank you for making certain our students are 100% ready for the future.

Sincerely,

Dougal Nelson
President CEO
JA of the Heartland

Mike Vondran
CEO, TAG Communications
JA of the Heartland Governing Board Chair

While JA honors its first 100 years in 2019, we look forward to ensuring the young people we reach today are empowered to succeed.

Mike’s experience demonstrates why JA is important. Please read his story called out on this page.

Confidence drives success. We must give our young people a sense of purpose and a belief in themselves to achieve their goals and aspirations.

We invite you to explore our annual report. Listen to the stories and notice our vast menu of financial literacy, work readiness, and entrepreneurship programs.

Sincerely,

Junior Achievement of the Heartland
For 100 years, Junior Achievement has been helping re-engineer education to:

- Be more relevant.
- Be more experiential.
- Connect kids to real role models.

And it’s working.

A recent JA Alumni Survey demonstrates how JA is turning “I can’t” into “I CAN”.

**JA ALUMNI SURVEY RESULTS**

**JA Alumni Educational Attainment**

- **93%** General Population
  - Have a high school diploma or GED

- **67%** General Population
  - More likely to have an advanced degree

- **30%** General Population
  - More likely to have a bachelor’s degree

**JA Alumni Career Aspirations**

- **1 in 3** General Population
  - Credit JA for influencing career decision

- **88%** General Population
  - Satisfied with career

- **1 in 5** General Population
  - Work in same field as their JA volunteer
JA Alumni Business Ownership

- 143% More likely to be involved in entrepreneurial activities
- 75% Believe U.S. economic system benefits most
- 55% Learned how a business works through JA

JA Alumni Household Income

- 20% Higher income

JA STATISTICS

3 Pillars
- Financial Literacy
- Work Readiness
- Entrepreneurship

Bayer Agriculture Center Opens at JA BizTown®

The new Agriculture Center, sponsored by Bayer, hosted its grand opening on November 15, 2018. The new center inside JA BizTown introduces students to careers in agriculture and the importance of the ag industry in our economy. Approximately 5,000 upper-elementary students attend JA BizTown each year.

Junior Achievement Rings Closing Bell at New York Stock Exchange

On March 12, 2019, Junior Achievement USA® rang The Closing Bell® at the New York Stock Exchange in celebration of JA’s 100th Anniversary. The bell was rung by Jack Kosakowski, President and CEO of Junior Achievement USA, who was accompanied by JA volunteers and students.
Jim Victor Remembered with JA Centennial Leadership Award

In celebration of Junior Achievement’s 100th anniversary, JA Areas had a special opportunity to recognize an exceptional JA volunteer who has made a profound impact on a JA Area and the students served with the JA Area Centennial Leadership Award. Junior Achievement of the Heartland presented the award to Jim Victor’s family at the Jim Victor Memorial JA Golf Classic. Jim Victor was selected as the recipient for many reasons. He was a JA Classroom Volunteer, lead fundraising efforts to make the Folwell Education Center for Free Enterprise and JA World a reality, sponsored the Jim Victor JA Golf Classic for 18 years, and was actively involved in the creation of the Free Enterprise Foundation.

Deere Employees Credit Union Serves as a New Major Sponsor of JA Finance Park®

Deere Employees Credit Union has partnered with Junior Achievement of the Heartland to serve as a major sponsor of JA Finance Park. Based on program evaluations, we know following participating in JA Finance Park, more than 80% of the students will identify their career interests; understand the importance of taxes and how they affect everyone; realize the advantages and disadvantages of credit cards; and successfully manage a personal budget. In addition to their sponsorship, 13 DECU employees serve as JA Classroom Volunteers, impacting more than 270 students in the classroom.
Junior Achievement’s unique delivery system provides the training, materials, and support necessary to prepare students for the real world. The impact is measurable, too. Survey results prove JA helps students develop successful financial management habits and the 21st century skills necessary to succeed in a global economy.

Programs Offered: Elementary (Kindergarten - Fifth Grade)

**Junior Achievement’s unique delivery system provides the training, materials, and support necessary to prepare students for the real world. The impact is measurable, too. Survey results prove JA helps students develop successful financial management habits and the 21st century skills necessary to succeed in a global economy.**

Programs Offered: High School (Ninth - Twelfth Grade)

JA CAREER SPEAKER SERIES™
provides students with a guest speaker to share information about his/her career, work, and education experience.

JA CAREER SUCCESS®
equips students with the knowledge required to get and keep a job in high-growth industries. Students will explore the crucial workplace skills employers seek, but often find lacking in young employees.

JA PERSONAL FINANCE®
allows students to experience the interrelationship between today’s financial decisions and future financial freedom.

JA EXPLORING ECONOMICS®
fosters lifelong skills and knowledge about how the economy works, including micro-macro-, personal, and international economics.

JA BE ENTREPRENEURAL®
charges students with starting an entrepreneurial venture while still in high school by developing the essential components of a business plan.

JA EXCELLENCE THROUGH ETHICS®
gives students the chance to meet and interact with a local executive or business professional and learn about the importance of ethics in the workplace and in everyday life.

JA IT’S MY JOB™ (SOFTWARE SKILLS)
helps students understand the value of professional communication and soft skills, making them more employable to future employers across multiple career clusters.

JA LAUNCH LESSON™
allows students to explore entrepreneurship by connecting with a successful entrepreneur from the community.

JA ECONOMICS®
connects students to the economic principles that influence their daily lives as well as their futures.

JA TITAN®
allows students to operate a virtual company through a web-based simulation. The students’ success depends on decisions about their product’s price and their company’s marketing, research and development, and business practices.

JA SEMESTER-LONG HIGH SCHOOL COURSES
The JA High School Experience is a series of semester-long, experiential, blended learning courses designed to empower students to own their economic success. Through a combination of instructional approaches, students progress from foundational principles through application, synthesis, and immersion in JA’s three pillars: entrepreneurship, financial literacy, and work readiness. Each course is accompanied by state-creditable instructional content (IC) that include projects and support career pathways aligned with JA’s areas of expertise.

Drs. David & Agnes Palmer Junior Achievement Titan Competition
Sponsored by Vickie Anne Palmer

JA Titan allows high school students to apply their business knowledge by competing online in a fictional industry. While simulating business quarters, students make decisions on price, production, marketing, capital investment, and R & D. These decisions determine the success or failure of their virtual company.

Students within JA of the Heartland’s territory get to put their skills and knowledge gained from JA Titan to the test by competing in the Drs. David & Agnes Palmer JA Titan Competition. Top performing teams are awarded scholarship money for post-secondary education.

Junior Achievement High School Career Expos

JA of the Heartland created career expos to help develop a pool of employees ready to fulfill our communities’ needs.

Through these expos, students:
· Learn about career options in specific fields.
· Receive hands-on experience with equipment used on the job.
· Speak with professionals regarding education, training, and skills required for the jobs.

JA High School Advanced Manufacturing Careers Expo
In partnership with the John T. Blong Technology Center, a part of Eastern Iowa Community Colleges
Areas of focus include:
· CNC/Machining
· Engineering Technology
· Logistics
· Renewable Energy
· Truck Driving
· Welding
· Virtual Reality/Augmented Reality

JA High School Building Trades Careers Expo
In partnership with the Tri-City Building Trades Council
Areas of focus include:
· Bricklayers
· Cement Masons
· Electricians
· Insulators
· Ironworkers
· Laborers
· Operators
· Painters/Glaziers
· Plumbers/Pipefitters
· Plasterers

Corrections
Junior Achievement of the Heartland has made every effort to make the 2018-2019 Annual Report accurate—it is one small way in which we can recognize our many valued contributors. If your name has been omitted, misspelled, or misplaced, we apologize. Please contact the JA office with questions or corrections.

THANK YOU!
Junior Achievement of the Heartland gratefully acknowledges our 2018-2019 Annual Report production partner:
