

## Event Details

The details below are important for you to have a successful experience at the JA Inspire Career Expo:

- **Event Information:** Upon arriving at the event, a volunteer will speak to your group on the bus with important details specific to the day and your school/bus. Please pay attention to the information provided at that time.
- **Event Etiquette:** The companies that are coming to this event have put a lot of time and effort into their exhibit(s), please be respectful to those working at the booths, volunteers, JA staff and fellow students/teachers. Although we want you to have fun and enjoy your time at the event, it is a professional function and JA, along with your school, expects you to act courteously and appropriately.
- **Student Pick Up Area:** Please locate the student pick up area on the map provided of the event. Announcements will be made when it is time for a school to depart. The announcement will include your school name and the color of your drawstring bag. When your school is called, head to the School Pick Up Area where you will wait for your fellow classmates to make your departure. The volunteer who speaks to your school on your bus upon arrival will offer additional details about this location.
